Hello Centre Mountain Lellum Families,

Sept. 7, 2023

We have completed our first week of school for 2023-24. It was a very busy week, but overall, our last few days were very successful. It is so nice to see our grade 7 and 8 students again and we are thrilled to welcome all our new students. This is a very exciting time for all, but we do realize that this can also be a very stressful time for some of our students. We are busy getting to know all of our students and working hard to put all the supports in place. Thank you all for your patience and support during our 2023-24 start-up.

Transportation update for week one

We are aware of some of the challenges we faced with school bus transportation to and from school. Many delays occurred yesterday afternoon and we expect more delays today. The Transportation Department is working on creating solutions, but this will take some time to adjust and create a schedule that works for all schools and all families. If there are any questions related to the school bus, it is best to contact the Transportation Department. Thank you.

We will be kicking off the year with three different sports for students to sign up for. Cross Country running, ultimate frisbee and touch rugby will be starting soon. Any interested students can sign up on the athletics board which is located across from the gymnasium.
