

Centre Mountain Lellum Middle School

3090 Constellation Ave, Victoria BC, V9B 0V2

Welcome to Centre Mountain Lellum, students and grown-ups! Below are the expected supplies and materials that you need to do your job at school this year.

Please bring your pencil case set up in the following way.

At all times your pencil case needs the following:

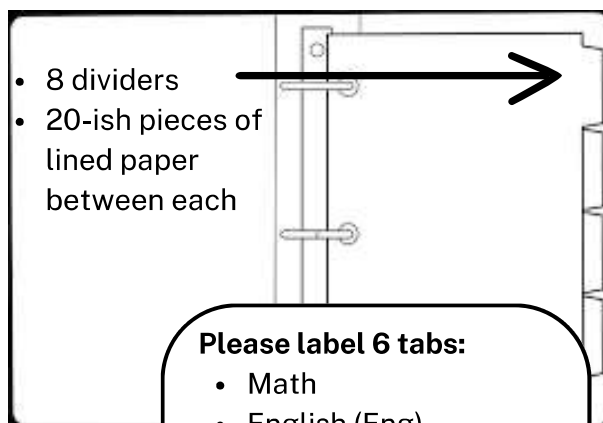

You know your child best. Ideally, a student will only use one pencil and one pen and one glue stick all year. Will you need to send extra to account for lost/misplaced items? You may be asked to "top up" these items as the year progresses.

Other important supplies to bring:

- a package of pencil crayons
- a package of felt markers
- 4 or 5 **black** dry erase markers
- 6 duotangs
- 3 sticky note pads (3"x3")
- plug-in headphones/earbuds (to listen to videos) microphone helpful for speech-to-text but optional
- ruler
- simple calculator

Please bring your 2" binder to school set up in the following way:

Please label 6 tabs:

- Math
- English (Eng)
- Social Studies (SS)
- Science (Sci)
- French (Fre)
- Careers

Two tabs to be determined by your teacher.

What you might wonder:

- Yes, you may send used supplies. You do not need to buy new if you already have good supplies from previous years.
- Yes, just like in elementary school... LABEL EVERYTHING! This includes each pencil crayon, pen, etc. Initials with Sharpie are just fine.
- Extra supplies will be collected by the teacher or stored in your locker.
- We are super excited to meet you and your kiddo!
